\$.-T.-1860.-X.

From the army hospital—the bloody battle-Sold—the mansion of the rich and humble abode of the poor-from the office and the sacred deak -- from the mountain top, distant valleys and far-off islands of the ocean-from every nook and corner of the civilized world-is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands upon thousands of letters like the following may be seen at our office:

REDSBURY, WIS., Sept. 16, 1863. * * * I have been in the army hospihais for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. * * * Three bottles restored my speech and cured me. * * * C. H. FLAUTH."

SOUTH WARSAW, O., July 28, 1863. ** * * One young man, who had been sick and not out of the house for two years with Scrofula and Erysipelas, after paying the doctors over \$150 without benefit, has been cured by ten bottles of your Bitters. * * * EDWARD WOUNALL."

The following is from the Matron of the Union Home School for the Children of Volun-

HAVEMEYER MANSION, 57TH STREET,) NEW YORK, August 2, 1863. "DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl, in particular, with pains in the head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced

The Plantation Bitters make the weak stron g the languid brilliant, and are exhausted na

ture's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Bassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S-T-1860-X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medi-

cal authorities, and are warranted to produce an immediate beneficial effect. They are exceed. ingly agreeable, perfectly pure, and harmless. NOTICE.-Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and imposter. We only put it up in our log cabin bottles. Beware of bottles refilled with imitation deleterious stuff, for which sev-

eral persons are already in prison. See tha every bottle has our United States Stamp over the cork, and signature on steel plate side la-

DROVIDENCE HOSPITAL.

In consequence of the destruction by fire of the Washington Infirmary, which proved so beneficial to sick and invalid strangers and citizens, the "Sisters of Chariy" have undertaken to supply the pressing want of such an institution by the establishment of a City Hospital. It will be known as "Providence Hospital," and is located on the corner of Secand street east and D street south, Calitol Hill. The cars run within two squares of the building which is large and commodious; and every attention has been provided in its construction for the comfort of the inmates.

Patients will be received into the wards at 35 per week, payable in advance. This includes medicines and medical or surgical attendance.

Versons desiring private rooms can be accommodated at an advance rate. Suitable wards have been provided for colored patients
The nursing and care of the sick will be under the immediate charge of the fisters.

THE STEAMER EUTAW .- This fine gunboat received her orders for sea a few days since, and would ere this have been on the ocean had it not been that the river was frozen over, but she is now ready for sea, and as soon as the channel is open she will leave. This yessel is of about 1,00 tons, and was built in Baltimore. at the yard of Messrs, Abrahams, Her engines was built at the Vulcan Works of Baltimore, and is a single engine of 8 feet 9 inch stroke, and 58 inch cylinder. She is provided with Morton boilers, with Wethered's super-heating apparatus for using combined steam. With this apparatus a series of experiments have been recently made, testing the powers of the steam, and they have proved hightly success-ful. Her speed with this improvement can be kept up with at least 25 per cent, less fuel, quite an important item. On her trip recently from Philadelphia to this port, she averaged
